GRANT UPDATES: SHARON ROAD STREAM CROSSING-Maggie, Mike, Kim and Road Foreman Ron Miller met with Jim Shaner of DCED on February 15, 2017 to discuss the next steps toward the project now that the final GP8 permit has been given. The paperwork for the COG Spring Materials has been filled out by the Roadmaster and she has included the materials that will be needed for this project. MILL CREEK PARK COMFORT STATIONS-No progress will be made on the concrete patio that needs redone until the weather conditions allow.

OLD BUSINESS - 5-10 YEAR PLAN-Rose Kendall discussed the prior 5-10 year committee meeting that was held on February 20th and stated that the next meeting will be held on March 20th at 6:30 pm. A spreadsheet of finances is in the near future to be discussed and she has made an appointment on April 12th at 10 am with the DCNR Forester to walk the Riverfront Property for all who are interested in attending. Future topics to be considered to be added may be a building for Anti-Skid materials that the township may need to purchase in the future should First Energy not be able to provide bottom ash. Also, the Tractor with a Boom Mower and a State Police Fee that may be coming in the near future. **NEW BUSINESS-** Park Rental-there was an inquiry from a Hanover Township resident about having a 5K walk/fun in Mill Creek park to benefit 'Break the Silence' to support awareness of domestic abuse in the area. She would like to rent the old garage and the pavilion for May 20th. The Secretary stated that she would look into whether or not they needed proof of non-profit and insurance. The Board was okay with it if those things were provided, if necessary. **DUMPSTER ATTENDANT-** Township Dumpster Attendant Terry Torrence no longer wishes to hold the position and turned in his keys. The board will look into hiring a new dumpster attendant. A motion to open the dumpster on Saturday, March 25th, two weeks earlier than planned was made by Merry Smith, seconded by Mike Messner. MC. **TAMPER-**Road Foreman Ron Miller provided pricing for two tampers. One for \$500 and one for \$1000. The road department is always borrowing one from someone else and it will be necessary for the Sharon Road Stream Crossing Project. The board voted to purchase the \$500 Tamper by Wacker with

a motion by Mike Messner, seconded by Merry Smith. MC. AMEND THE FEE SCHEDULE?-There was a question from a local business owner regarding putting an article in the township newsletter. In order to do this the board would need to amend the fee schedule to allow for cost. The board members stated that there is already a resolution in place with fees to allow for businesses to put in business card size ads only. They do not wish to make any changes at this time. PLGIT RATES-The Secretary informed the Board that Tamara Kemmler of PLGIT stopped and dropped off a rates sheet showing that PLGIT is currently offering an interest rate of .81% for 90 and 120 day CD's and wanted to know if the Board would be interested in a Liquid Fuels CD. Supervisor/Roadmaster Merry Smith stated that she will look at the Liquid Fuels Budget, projects and spending timelines for the current year and see if it is a possibility. The WESBANCO account is currently earning .10 APY.

REPORTS- Roadmaster-Merry Smith stated that they are currently painting the inside of the old township garage located at 1181 State Route 168. Lindy Paving has not responded back yet with a cost for milling McCleary Road. Road Foreman Ron Miller said that Jet Construction will be paving the Upper Service Bridge the week of March 13th, weather permitting. PARKS AND RECREATION-Nothing. BUILDINGS AND GROUNDS- Mike stated that some shingles were blown off during a wind storm. The road crew workers repaired the damages. ENGINEER – None. CODE ENFORCEMENT/ZONING-OFFICER-Not present. A February report was given. COUNCIL OF GOVERNMENT-The Board members were unable to attend this month's COG meeting. The Secretary did attend the COG Secretary/Managers meeting. PLANNING COMMISSION – Chairwoman Rose Kendall reviewed the Stormwater Management file that the Solicitor forwarded to her and ask that the Supervisors each be given a copy to review. TECHNOLOGY, FACEBOOK, WEBSITE- Administrative Assistant Glenda Short and Francis Himic are working on updating the Website. Francis recommends following up with American Legal Publishing (working on updating Code Book) to see if they can be of any help regarding Web Site information and **Security**.

CORRESPONDENCE-NONE. FIRST ENERGY UPDATE-Rob Lombardo was present and monthly updates were available for review.
